2. Describe in **ten** sentences what you like about your village **or** your state **or** your country. [20]

3. Write the following passage in Odia.

[12]

Srinivasa Ramanujan is one of the greatest mathematicians in history. He was born into a poor Brahmin family at Erode, Tamil Nadu on December 22, 1887. When many Indian mathematicians failed to understand his new ideas, he wrote to G. H. Hardy in Cambridge University, England. Ramanujan visited England when Hardy invited him. His many discoveries surprised the mathematics world. He died at a very young age of 33 on April 26, 1920.

4. Answer the following questions in two sentences each.

[3x2]

- a) What do you like about your best friend?
- b) What did you do yesterday?
- c) Tell us about your last visit to a hospital or a doctor.
